## Director's Message

We have had quite the start to the new school year. Despite all the craziness, the children have settled into their classrooms and new routines well.

This month our Preschool (3yr old) classrooms will be learning about community helpers. If you are able to come in to speak about your job to our preschoolers, please sign up on the sign-up sheet outside the office.

This month we have lots of exciting events planned, such as; Grandparents Day, Playground Blessing, Fire Safety and our Harvest Celebration. Please look for emails regarding each of these events.

Thank you for entrusting us with your children, they are truly a blessing and we are all so grateful we get to spend our days with them!

## Christian Education

First, I would like to say Thank You to everyone who reached out to my family during this devastating time of the loss of my son. Thank you all for being so understanding and patient as we had to put a hold on our Tuesday night program here at TPC. I have been praying for all of you (and your homes) are safe and sound after the storm. I know we all have tons of clean up still to do, as well as reaching out and helping here in our community. After meeting with Pastor Cam, we are going to Kick off our children/youth programs on Tuesday, October 2<sup>nd</sup> from 5:30-7:30pm.

We have four different programs here at Topsail Presbyterian Church on Tuesday evenings!!! All programs will begin their Tuesday evenings in the fellowship hall around the dinner table. Dinner will be provided and cooked by our church family every Tuesday.

Little Stars- This is our preschool program designed for 4/5-year-old Pre-K. Little Stars will learn that God loves them through age appropriate bible stories, songs, and crafts.

Jam Connection- This program is designed for children K-5<sup>th</sup> grade. Jam connection allows children to come together and fellowship through Gods love by fun games.

Journey- This program is designed for youth 6<sup>th</sup>-8<sup>th</sup> grade. Journey will provide opportunities for spiritual growth, service, fun, and Christian fellowship. Journey will venture out into the community for activities, trips, and retreats.

Believe Youth Group- This group is designed for 9<sup>th</sup> -12<sup>th</sup> grade. Believe seeks to build strong relationships with God and young people. This group works closely together to have a better understanding of the bible, youth will learn how to have compassion for others and identifying themselves through Jesus Christ. They are also challenged to better understand and live their Christian faith. We participate in local and distance Mission projects, Summer Camps, and Fun Outings!!!

Blessings,
