Director's Message

Happy New Year! We wish you much joy and blessing for 2019!

Registration for the 2019-2020 school year will begin January 28th. As a current preschool family, you will have the first opportunity to enroll your child before we open up the registration to the community February 4th. More details to follow within the upcoming weeks.

We will be conducting student evaluations during January. This helps both the teaching staff and parents see how your child is performing both academically and socially. If you have any questions, please see me or your child's teacher.

As we get deeper into the winter months, please remember to send your children to school in appropriate clothing. As the weather permits, we try to take the children outside to the playground to get the wiggles out.

We are in the middle of cold and flu season and we want to do everything possible to keep children, parents, and staff as healthy as possible. We regularly have the children wash their hands or use hand sanitizer. The staff also wipes surfaces (tables, toys, etc.) with Clorox wipes throughout the day. If your child does become sick and will miss school, please contact the preschool office to let us know (910)270-2315. **If your child was home with a fever, he/she must be fever free without the assistance of Tylenol, Motrin, etc. for at least 24 hours before returning to school.**

Thanks again for all you do!

January Preschool Curriculum

2 Year Olds

"Going on a Safari"

Letters: D

Numbers: 4

Colors: Blue

Shape: Rectangle

Preschool

"Winter"

Letters: D, V, & Z

Numbers: 5
