Director's Message

Wow!! It's hard to believe our final weeks of the 2016-2017 school year are here!! I would like to begin this final newsletter with a "Shout Out" to the preschool staff. These women are amazing educators who love your children and do all they can do to help them grow with the joy of learning, a love of school and a heart for others. They are a gift and a blessing to both the school and me.

I would also like to thank our TPP families for allowing us to spend a part of our day with your beautiful children. We wish you all the best for a safe summer vacation.

At the end of the month we'll have one more chance as parents, families, and teachers come together to celebrate with our graduating Pre-K!

Many Blessings,
Gemma
